Members' Directory

The club operates an opt-in members' directory. It allows members to contact each other for advice and fishing trips. If you choose to participate, you will be added to the current directory, and you'll receive the current copy, and your own details will be available to other members upon the next mailout (usually twice a year). The directory is STRICTLY paper only and does not include addresses. Only members who are in the directory receive a copy. We ask for your partner's name so we can address them with courtesy. All fields are optional.
